CITATION AND NOTIFICATION OF PENALTY

We believe that you violated the Animal Welfare Act (7 U.S.C. § 2131 et seq.) (AWA), as described below.

Date of Violation: On or About January 20, 2014

9 C.F.R. § 3.14(a)(3) Primary enclosures used to transport live dogs and cats. Any person subject to the Animal Welfare regulations (9 CFR parts 1, 2, and 3) must not transport or deliver for transport in commerce a dog or cat unless the following requirements are met:

(a) Construction of primary enclosures.

The dog or cat must be contained in a primary enclosure such as a compartment, transport cage, carton, or crate. Primary enclosures used to transport dogs and cats must be constructed so that:

(3) The dog or cat is at all times securely contained within the enclosure and cannot put any part of its body outside the enclosure in a way that could result in injury to itself, to handlers, or to persons or animals nearby.

You failed to securely contain a cat within its enclosure during transport. The enclosure in which a Maine Coon cat was being transported was not properly secured allowing the cat to escape upon its arrival at Honolulu International Airport and subsequently be killed.

The penalty for the alleged violation(s) described above is \$9,571.
